

To whom it may concern

Buying a house from abroad was made easy by Jonatan Liljeback with his willingness to follow up and provide useful information. Settlement and take over process was carefree and I have great faith in him to act on my behalf and have my best interest in mind. I highly recommend him to anyone considering buying a house in South Florida.

Best regards,

A handwritten signature in blue ink, reading "Trond Sorlie". The signature is fluid and cursive, with the first name "Trond" and last name "Sorlie" clearly distinguishable.
