Dear Lars:

I wanted to thank you for selling my house. I feel that you and your agency did a awesome job marketing and selling my house.

I feel that from the day that you got the listing until you sold it your team did 110% job. I would totally recommend you to all my friends and relatives.

Please feel free to have any potential customer contact me should they have any questions. Thanks again for all your help in selling my house in this market.

Regards
